

Welcome to EPOCH

A message from the Chief Investigator

Merry Christmas and welcome to the EPOCH trial! We are delighted to announce that all the sites have been confirmed, ethics approval is in place and the R&D processes have begun with a few days to spare before Christmas. Thank you for your support and good luck starting data collection for NELA.

Rupert Pearse

EPOCH Website

The EPOCH website will be your main resource once your site is activated. However, please take a look at the site now. All study documents will be available on here. We also have a growing bibliography of relevant papers for you to access.
